GALA DECORACIÓN

Compatible en altura y tamaño, nuestros productos de LVT modulares son los compañeros perfectos para nuestras moquetas. Los diseños se han creado para combinar a la perfección con algunas de nuestras gamas más populares, creando un sistema de pavimento modular integrado. No necesitarás tiras de transición ni juntas de dilatación.

Nuestro pavimento LVT cuenta con un aislante integrado Sound Choice™ para ofrecer un rendimiento acústico superior. Al minimizar el ruido, este pavimento puede ayudar a aumentar la productividad a la vez que crea un espacio caracterizado por su comodidad y estilo.

Además, como cualquier pavimento de Interface, todos nuestros productos de LVT son neutros en emisiones de carbono.
