

Interface®

Nuestro LVT Todas nuestras colecciones.

Pavimentos de diseño, de alto rendimiento.

Infinita variedad de diseños.

Nuestros LVT y moquetas modulares están diseñados para integrarse perfectamente sin necesidad de tiras de transición. Esta suave combinación de superficies resilientes y texturas suaves, combinada con infinitas opciones de patrones y colores, te permite crear diseños de suelos sorprendentes. Con la gama de productos y servicios de Interface, tendrás todos los recursos que necesitas para afrontar tu próximo desafío de diseño y crear espacios que a la gente le encanten.

Además, los diseños de Interface LVT vienen con nuestro soporte premium Sound Choice™, que reduce el ruido incluso en pavimentos resilientes, lo que los hace perfectos para entornos concentrados. Nuestros pavimentos LVT también contienen al menos un 39 % de contenido reciclado, lo que ofrece una solución sostenible para interiores elegantes.

Rendimiento acústico superior.

Nuestro pavimento LVT cuenta con un aislante integrado Sound Choice™ para ofrecer un rendimiento acústico superior. Al minimizar el ruido, este pavimento puede ayudar a aumentar la productividad a la vez que crea un espacio caracterizado por su comodidad y estilo.

Diseños duraderos.

Nuestro pavimento LVT utiliza un revestimiento superficial de cerámica Ceramor™, proporcionando al atractivo estilo un acabado duradero que resiste los arañazos y rasguños. Gracias a esta alta resistencia a la abrasión, podrás disfrutar de tu pavimento LVT durante muchos años.

Earthen Forms, Fresco Valley y Northern Grain utilizan Ceramor+™, que cumple con R10 y proporciona una clasificación de péndulo de 36+ en condiciones húmedas, lo que indica un bajo nivel de resbaladizidad.
